### *IEP Goal Writing + Collaborative Advocacy*

*Your child's IEP is meant to prepare them for further education, employment and independent living, but how do we get there? Bring your IEP and work hands-on with Catherine to find more clarity in your child's IEP goals, a new focus on how to prioritize your child's day and how to break free from conflict with your IEP team. ~ Presented by Catherine Whitcher, M.Ed, Master IEP Coach, Prairie Grove IL*

### *THE KEY TO FULL INCLUSION*

*Learn how schools successfully, fully include students with Down syndrome/ID in general education classrooms. Find out what teachers do in order to fully include students with Ds/ID and ensure authentic, meaningful inclusion. Participants will be able to identify the characteristics and processes of high-quality inclusive education and the key to full inclusion. ~ Presented by Nicole Eredics, Author, Educator, Inclusion Speaker*
